Title: Don't Lose Your Head

1. Select 5 three to six-letter words
2. Place the words on your grid
3. Try to find your opponent's words before they find yours or play by guessing letters (Be warned...each wrong guess raises the blade higher)
4. Guess all five of your opponent's words and watch as their head hits nothing but net

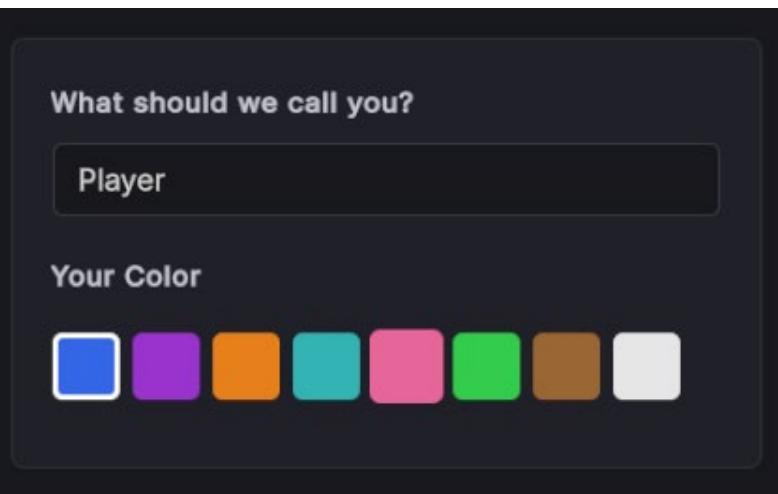

Don't Lose Your Head is a casual word game you can play against the computer or another person. Inspired by games like Hangman, Scrabble and Battleship. But be careful...
